EXAMINATION DEVELOPMENT

Eleven examination development workshops were conducted from January 1, 2023 through March 31, 2023. Three passing score workshops were in-person at the Office of Professional Exam Administrators (OPES) office in Sacramento, CA. Eight exam development workshops were done remotely.

Board staff continues to work with OPES on recruiting subject matter experts (SME) for the various Board administered exams.

ASSOCIATION OF SOCIAL WORK BOARDS (ASWB)

ASWB is exploring and implementing testing experience enhancements. These enhancements include providing both a three- and four-option multiple-choice question format, allowing access to food during testing, removing the requirement to seal electronics in a tamper-proof bag, and to simplify the request for receiving an excused absence.

ASWB has engaged with Fifth Theory, an independent and minority-owned firm, to assist candidates understand and develop the test mastery mindset required to succeed in the exams. Fifth Theory is a tool to strengthen general skills, such as anxiety reduction and preparation strategies.

NATIONAL BOARD FOR CERTIFIED COUNSELORS (NBCC)

Effective 12/6/22, the Board began uploading a weekly list of approvals to the NBCC portal. Exam staff has noticed a decrease in the communication with candidates needing assistance registering for their exam.

ASSOCIATION OF MARRIAGE AND FAMILY THERAPY REGULATORY BOARDS (AMFTRB) CLINICAL EXAM

Board staff have initiated discussions with executive management of AMFTRB and plan to provide additional information about the AMFTRB Clinical exam at the August 2023 Board meeting.

PEARSON VUE

Exam staff recently started receiving weekly e-mails from Pearson Vue providing case details of communication between exam candidates and Pearson Vue customer service. These case details are reviewed and when necessary, exam staff can provide assistance to the candidates.

LAW AND ETHICS RE-EXAM

Effective 4/19/23 at 5:00 p.m., the law and ethics re-exam application was made available for online submission.

EXAM COURTESY NOTIFICATIONS

Exam staff has created several reports to assist in the notification to exam candidates assisting them with the examination process. Notifications are sent through e-mail. If an e-mail address is not on file, they will be notified by mail.

Abandonment: Candidates who have been approved for licensure eligibility are required to take an exam within 365-days of initial approval or within 365-days of a failed attempt. When a candidate does not meet this requirement, their licensing file is abandoned. Exam staff notifies the candidates their file is abandoned and provides instructions on how to reapply. A note is added to their file to assist the licensing evaluators when they receive communication from these candidates.

No shows: Candidates who scheduled their exam and did not show up for the exam are considered a no show. Notification is provided to the candidate with instruction on how to submit a re-exam application or how to work with the exam vendor if the no show was justified as per the Absence/Lateness Policy outlined in the exam candidate handbook. For licensure eligible candidates, this will include the date they must exam by to ensure they maintain licensure eligibility.

This courtesy is not available to the ASWB or NCMHCE candidates as the Board does not receive these no-show results.

Seven-years in the clinical exam: Candidates who have been in the clinical exam cycle for seven-years from their initial clinical exam attempt must take and pass the current version of the California law and ethics exam before continuing with the clinical exam. Exam staff will notify the candidate of the requirement and provide instruction on how to apply for the law and ethics exam. This will also provide the date they must exam by to ensure they maintain licensure eligibility. Exam staff monitors these exams, and once the law and ethics exam is passed, the candidate is notified with instruction on how to continue with the clinical exam and the date they must exam by to ensure they maintain licensure eligibility. A note is added to their file to assist staff of the requirements and deadlines.

Three-month reminder to test: Exam staff recently began notifying candidates who have not taken their licensure eligible exams and will abandon within three-months. This also provides direction on how to schedule/register for their exam.
