1. Amend BPC 4989.14: Includes MFT trainees in the list of allowable LEP supervisees.
2. Add BPC 4990.11: This section is being added to affirmatively state in the law that the Board's online license lookup may be used to verify a license or registration.

## BOARD-SUPPORTED LEGISLATION

### 1. **AB 665 (Carrillo) Minors: Consent to Mental Health Services**

This bill seeks to make the requirements for a minor to consent to mental health treatment equal for both Medi-Cal recipients and non-Medi-Cal recipients.

At its May 5, 2023 meeting, the Board took a “support” position on this bill. Separate from its position, it also asked staff to make several technical suggestions to the bill, including correcting an incorrect reference to LEP statute, and making sure the “professional person” definitions in Family Code §6924 and Health and Safety Code §124260 matched. Both of these suggestions have been accommodated in an amended version of the bill.

*Status: This bill is on third reading in the Senate.*

### 2. **AB 1451 (Jackson) Urgent and Emergency Mental Health and Substance Use Disorder Treatment**

This bill requires a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2024 that provides coverage for medically necessary treatment of mental health and substance use disorders to also cover treatment for urgent and emergent mental health and substance use disorders.

### 4. **SB 238 (Wiener) Health Care Coverage: Independent Medical Review**

*Status: This bill is in the Assembly Appropriations Committee.*

It also requires that all pupils in grades 1-12 receive evidence-based, age-appropriate

mental health education from trained instructors at least once in elementary school, at least once in junior high/middle school, and at least once in high school.
